

Sandy's Problems

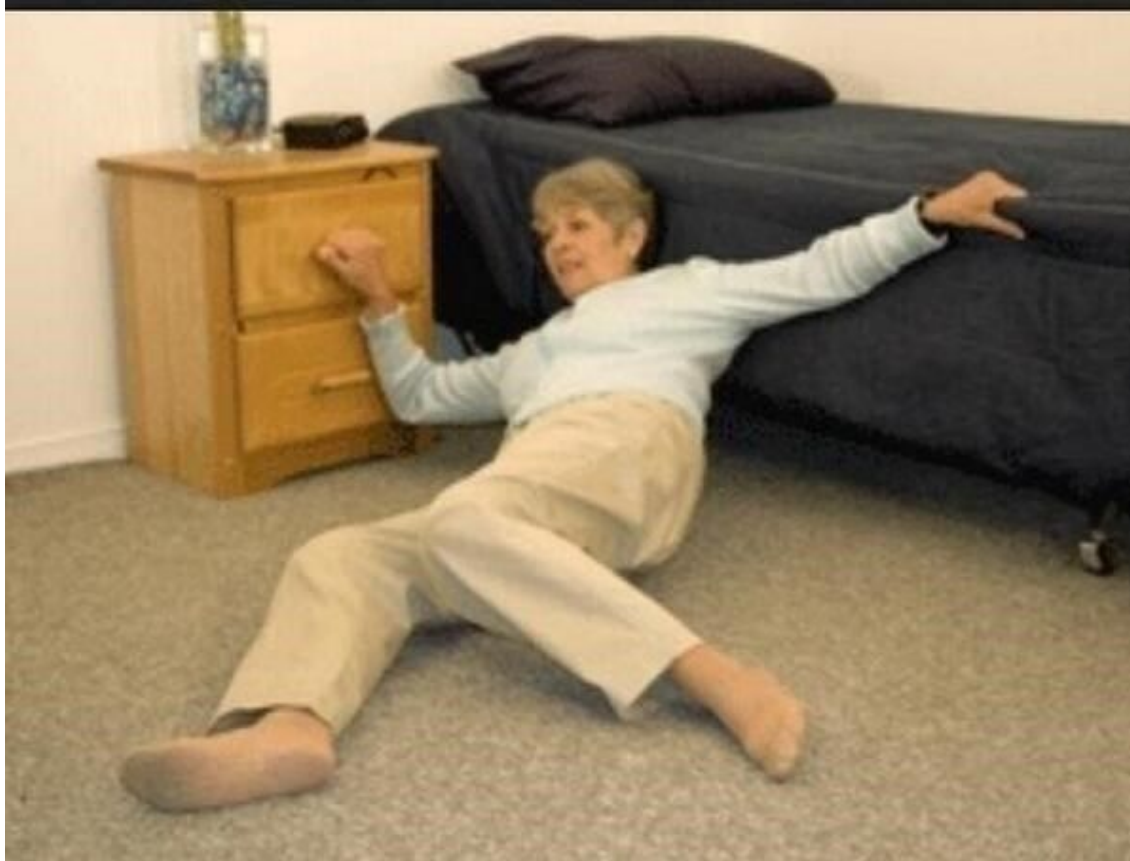

By Madelyn Doyle

Sandy is a family woman, and she loves spending time with her kids and her husband.

Another big part of her life is her elderly mother

Recently Sandy's mother Sandra fell and broke her hip and she needs 24/7 care

After this happened Sandy has been spending all of her time with her mother, and it is causing problems in her family life and marriage.

She has been looking for at home care for weeks with no luck until she finally found our lifesaving app The Adult Healthcare App!!

Through our app, Sandy found her mom the best and most affordable care that is offered. Now she doesn't have to worry about her as much, and she can spend more time with her family

Shona want to spend more time with her husband but is working to many night shifts at the hospital.

She decides she wants to make a change and searches for alternative ways to use her nursing degree.

She decides to take care of Eddie a physically disabled veteran which she found on the app

She is able develop a deeper bound and appreciation for Eddie and his family.

Shona is able to spend more time with her husband and is not overwhelmed anymore with work

Jimmy Barcher's Delima

By Corey Reed

Jimmy constantly works long hard workdays and worrying about his elderly grandmother constantly stresses him out.

While talking to his co-worker Malissa on break; she recommended The Adult Healthcare app to keep his grandma on 24/7 reliable care.

Jimmy was shocked by the amount of availability and services on The Adult Healthcare app and signed up right away.

Jimmy meets the nurse that the app recommended him and talks with her about the situation he is in.

The nurse seems to be a great fit to help Jimmy's grandma and she starts her healthcare work right away.

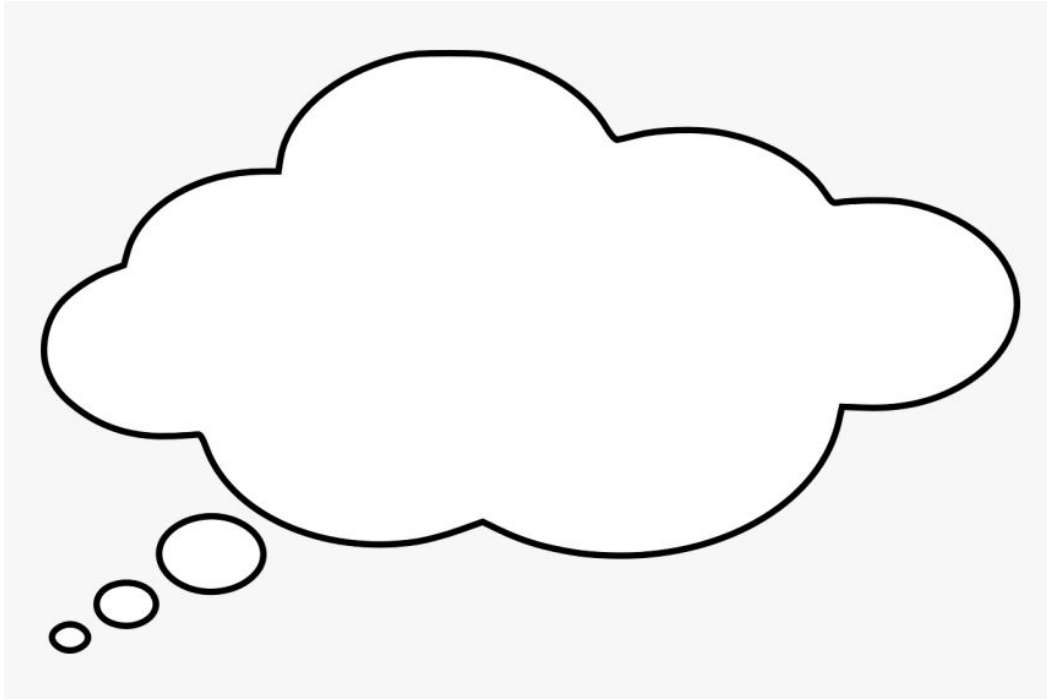

Jimmy can now give his job his full attention thanks to The Adult Healthcare app, and his stress is greatly reduced.

John's Storyboard AdultCare App

by:Rick Jiang

During John's shift, he saw a one of his patients not get the care they need.

John tries to think up with a plan but he can't think of any ideas for help this guy.

Then, John look up the website and then found the app of adultcare

John founded the right person for this patients care with this app.

John come by the patient's home every single day to check on the caretaker and patient
